

# MANGROVE PLANTING & CLEANING DAY

Pulau Tg. Surat,  
Kota Tinggi.  
13th July 2024

Collaboration Between:  
Alpha Industries Sdn Bhd  
&  
Sahabat Bakau Tg. Surat

All volunteers depart from Jetty Tanjung Belungkor by boat at 8:30 AM. Upon arrival at Pulau Tanjung Surat, we proceed to the mangrove area using the provided car and van. Before beginning the activity, the representative from Sahabat Hutan Bakau brief us on the mangrove planting procedure, followed by a safety briefing from our Safety Manager.

Alpha Industries contributed 20 mangrove trees to be planted on the island. All volunteers participated in the planting under the guidance of members from Sahabat Bakau. The volunteers also received valuable information about the mangroves, which was shared by the Sahabat Bakau team.

The final activity of the program was collecting rubbish in the area, with a total of approximately six bags gathered. The program concluded at Pulau Tanjung Surat at 11:45 AM.
